LINKEDIN RECOMMENDATION

“I had the chance to have Claire as a consultant in my team for a year. She showed how to lead Kiehl's e-commerce websites for the Nordics, Benelux and Switzerland. She did it autonomously, taking initiative and being genuinely curious about learning new skills.

Claire is a passionate professional, 200% committed to her job and always bringing positive energy. I strongly recommend her to anyone looking for a great project manager in an e-commerce and marketing context.”
